REMARK: In the calculation of the price the length is taken over the entire vessel. (LOA)

For vessels type „TRIMARAN“ and „CATAMARAN“ the price increases for **50%**. The price includes rational use of drinking water (except the washing of the boat) and electricity connection. Other taxes are not included in the price.

REMARKS:

Payment for daily berth is made exclusively in the Port office at the day of departure from 07:00 to 10:00. CHECK OUT until 11:00.

The Agency shall not be liable in case of theft and damages incurred on vessels during the stay in Port Herceg Novi.

Customer services:

Providing water **10,00 €** for **1 hour** of using (short stay is extra charged per hour)

Power supply:

- for vessels up to **30** meters length **10,00 €** per hour (short stay is extra charged per hour)
- for vessels over **30** meters length **12,00 €** per hour (short stay is extra charged per hour)
- taking packed garbage of the vessel **2,00 €** per bag.

All other services required by the vessel owner and not listed in the pricelist are specifically negotiated.

Compensation for damages:

-For tearing berth (mooring) or damaging it the price is **100,00€**

Bonus

The Agency reserves the right to grant discounts to users, as follows:

15% discount on the price for the berth stay longer than **30 days** continuously

20% discount on the price for the berth stay longer than **60 days** continuously

25% discount on the price for the berth stay longer than **90 days** continuously

The right for a discount is obtained on the basis of a previously concluded contract on the time of use of the berth and the payment is made no later than the departure of the vessel.
